TOP TEN SENIORS

6. Joyce Ward
95.2 Ave.

7. Cindy Shaffer
94.8 Ave.

4. Luann Johnson
96.3 Ave.

5. Kathy Eskridge
96.1 Ave.

Among the 1973 senior class, there were ten outstanding students who contributed to the high academic standards of Norton High School. They have displayed that besides their academic studies they were involved in many extra-curricular activities and community affairs. These young people will certainly be an asset to any community that their lives touch.

8. Betty Kovacs

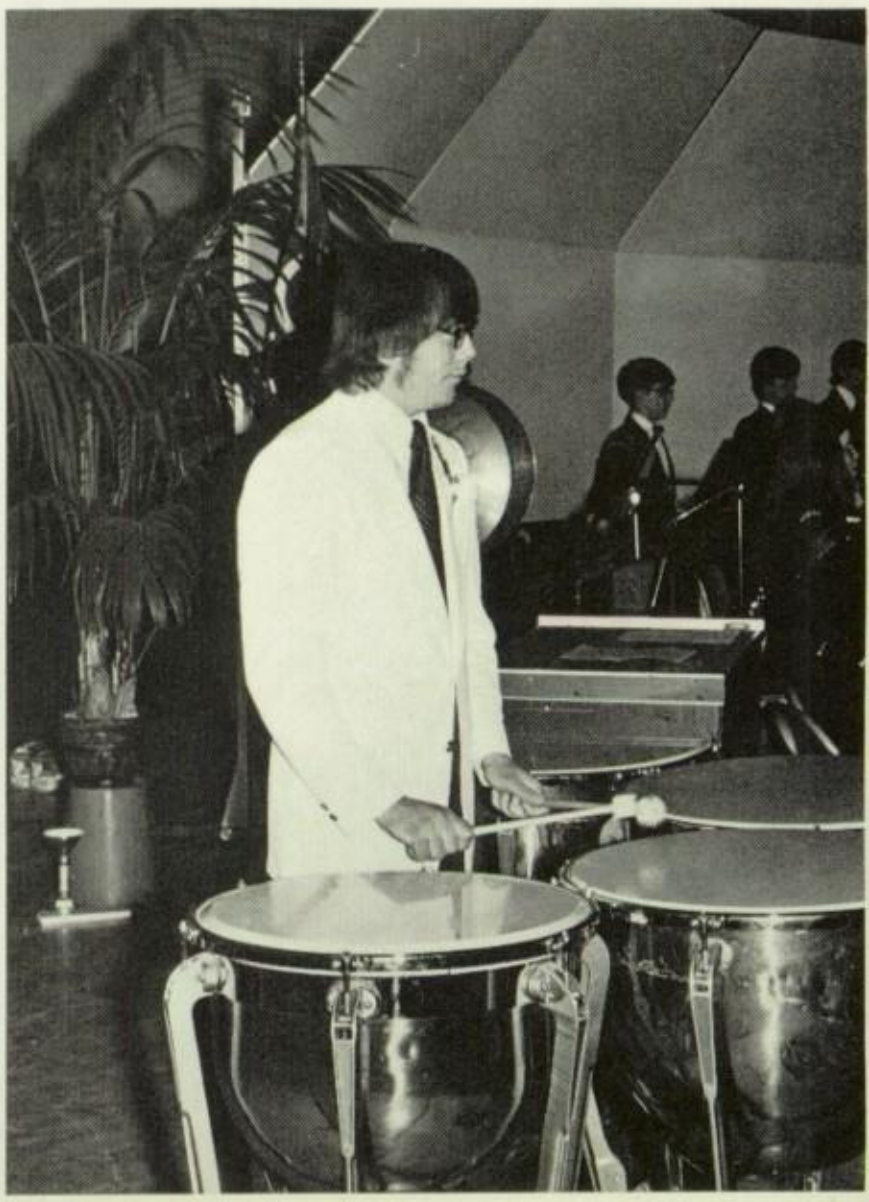
The Marching 200
headed by Drum Major Mark Robertson
and color guards

BAND

The 173 member Norton High School Panther Marching Band is made up of 77 boys and 96 girls. Directed by Thomas E. Knapp since 1965, with Associate Directors, Mrs. Judith Hall and Roger Smith, the Panther Marching Band has grown from a 64 piece organization to its present size.

During the past five years the Norton Panther Marching Band has made many outstanding outside appearances. The band has appeared for the Cleveland Browns in 1967 and 1970, the Pittsburgh Steelers in 1968, and in 1971 the band appeared in Buffalo, New York, as one of the select bands to play for the Acme-Zip Game held in the Akron Rubber Bowl. The band traveled to St. Catherines, Ontario, in 1968 and appeared in the St. Catherines Grape and Wine Festival Parade. Last year the band traveled to Los Angles and played a concert in Disneyland and during that same trip performed in the Colisieum for the Los Angles Rams. During Concert Season, the band splits into two separate organizations and is active in Ohio Music Educators Association (O.M.E.A.) sponsored contests and festivals.

1973 Concert Season



Majorettes march to perfection during half-time shows

Captain: Dianne Donnella

Head Majorette: Peggy Huston

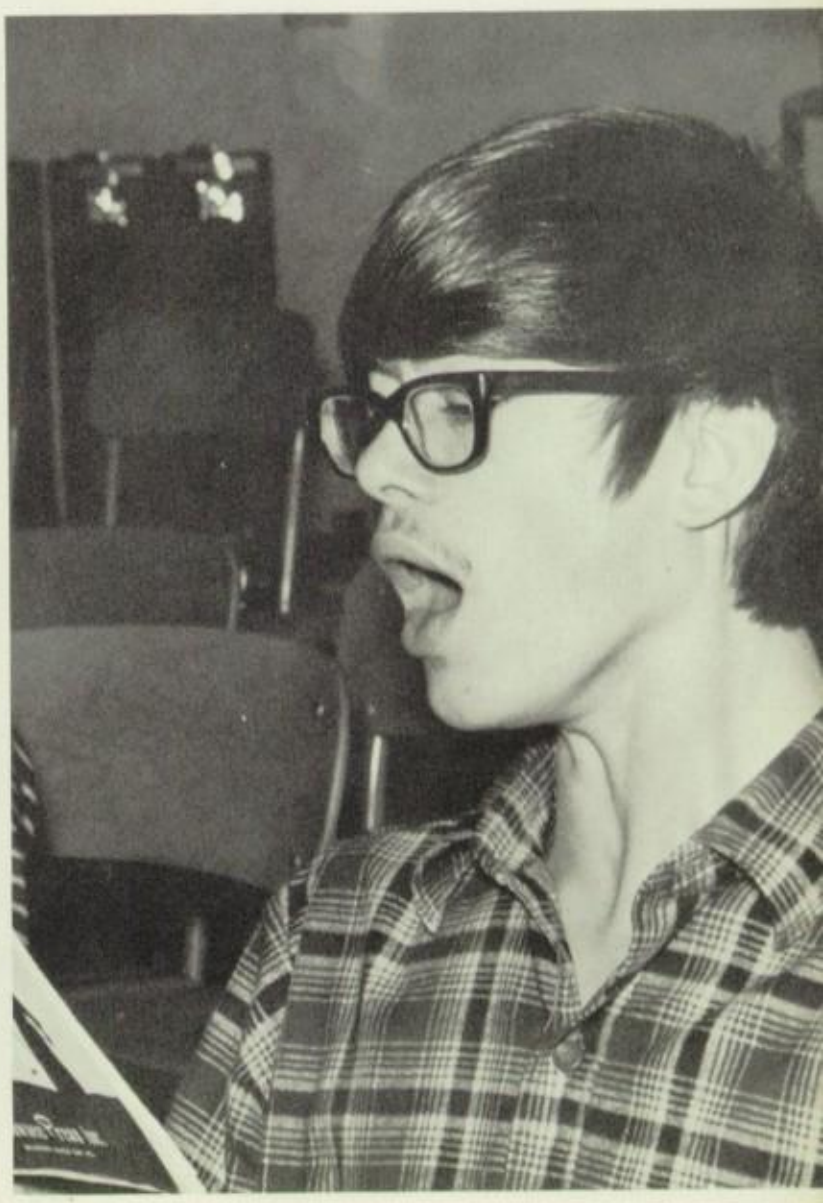
Choir sings in perfect harmony. . .

NORTON HIGH SCHOOL CHOIR

The choir gives students the opportunity to use their vocal talent for the production of excellent music. Students learn to work together and also further their music education.

The choir presents programs for various school programs during each school year. For many years this vocal group has also presented a Christmas program at the Akron YWCA. Programs are also given for various churches and service organizations in Norton and the surrounding area.

Also included in the choir are the soloists and vocal ensembles which participate in the Ohio Music Education Competition Festivals each year.



Sampling the fondue while others are in the kitchen preparing.

Future Homemakers of America

FHA and French Clubs involve students in extra activities

French Club

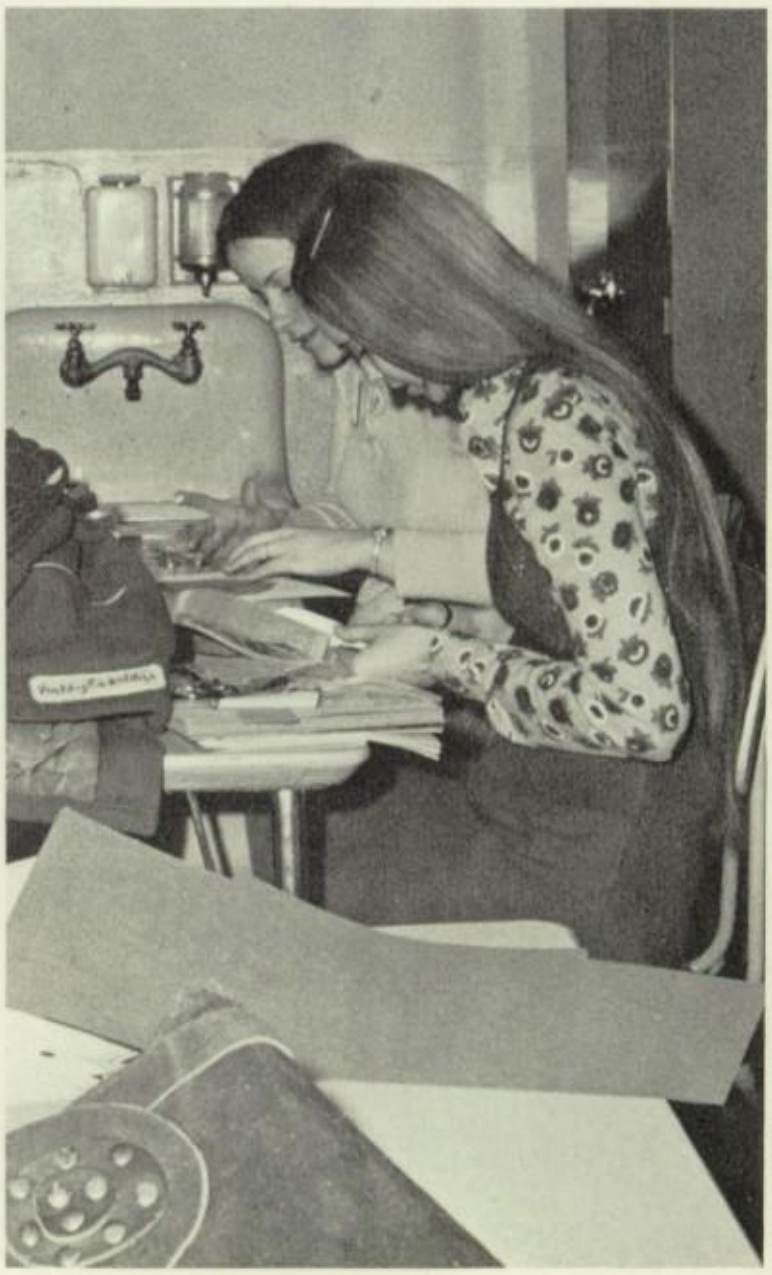
FNA OFFICERS: Judy Baker, **Treasurer**; Barb Nelson, **Secretary**; Sue Sheppard, **Vice-President**; Kathy Eskridge, **President**.

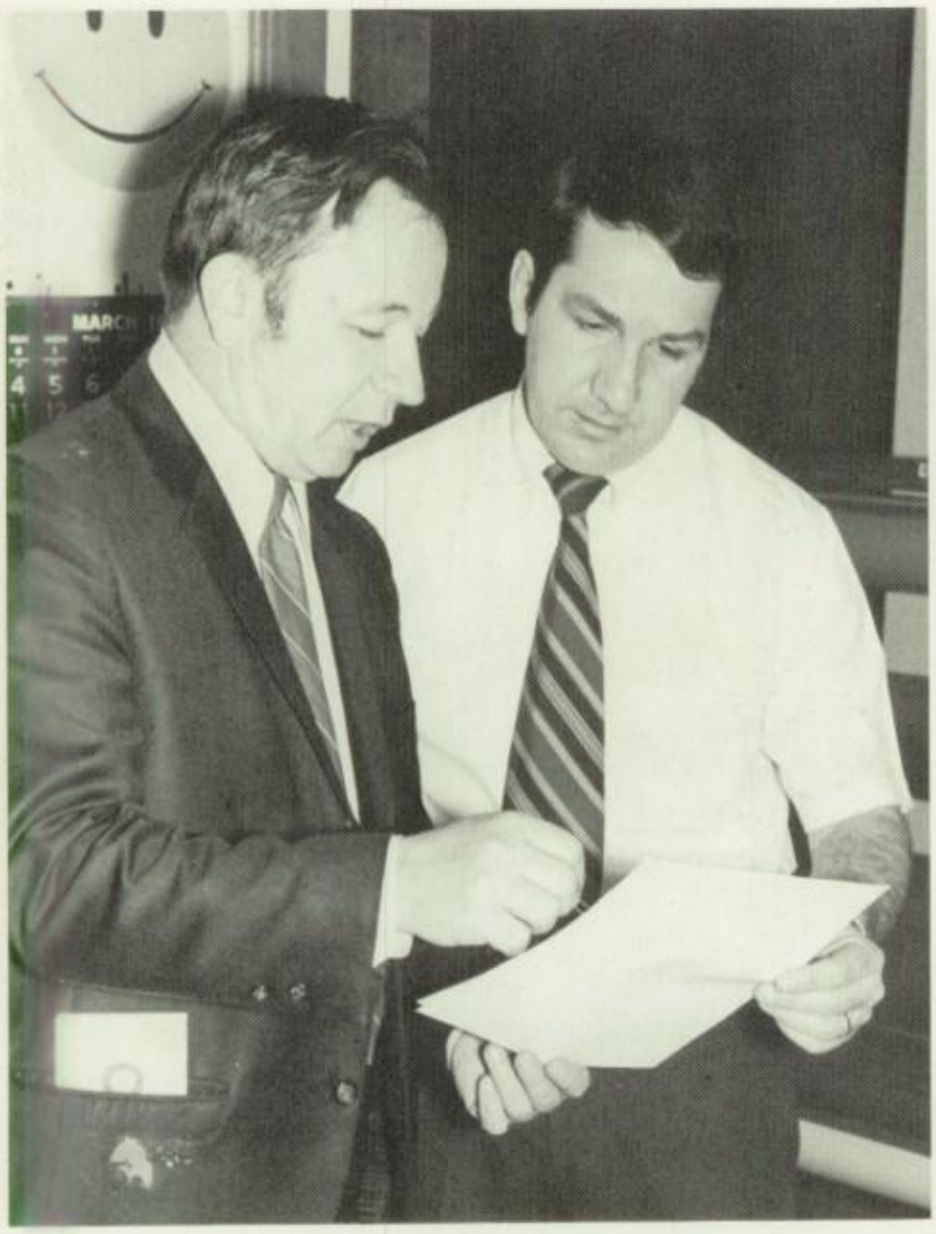
Future Nurses of America

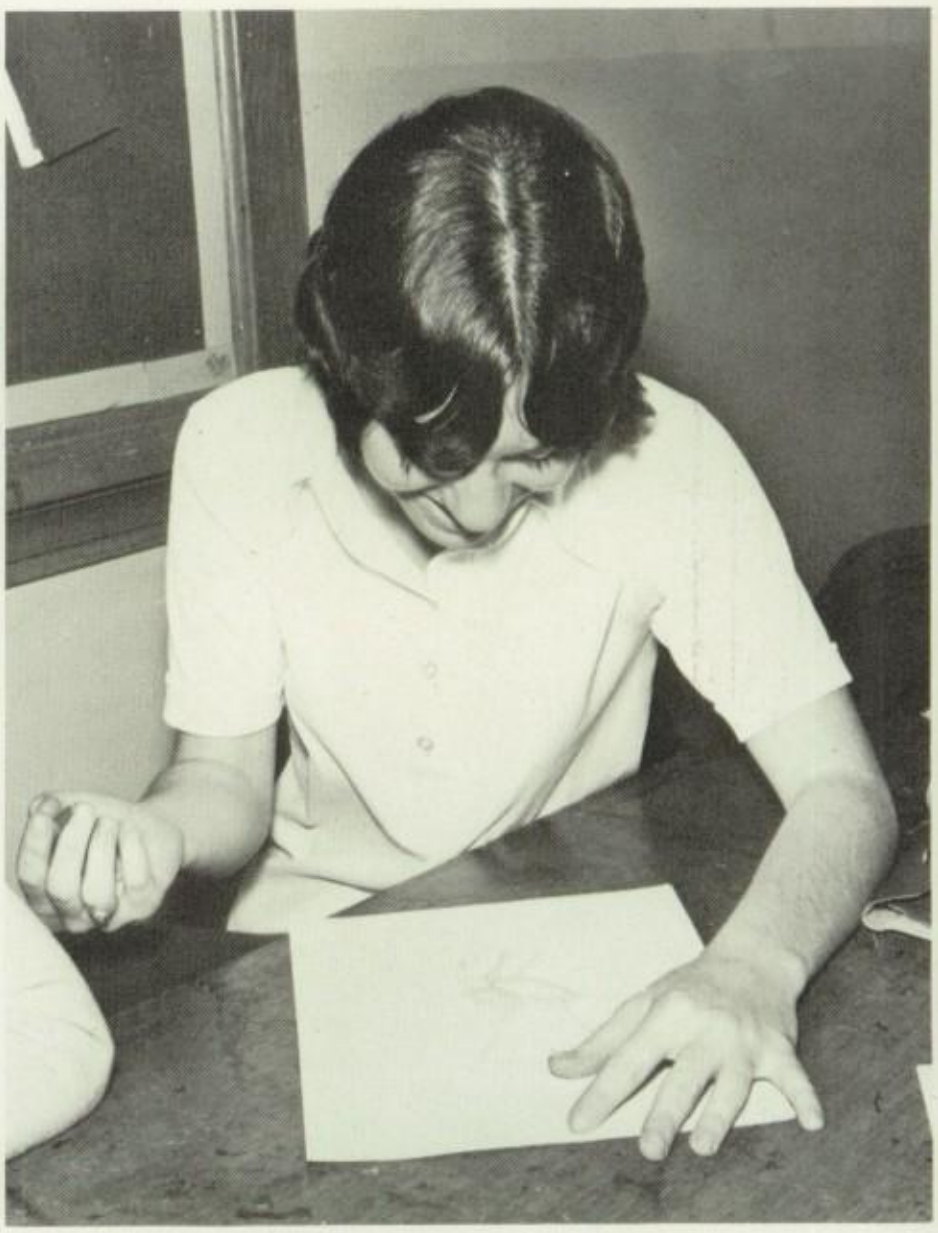
FNA and FTA help prepare students for further education

FTA represents the educational interests of secondary school students and insures their involvement in improving and supporting education.

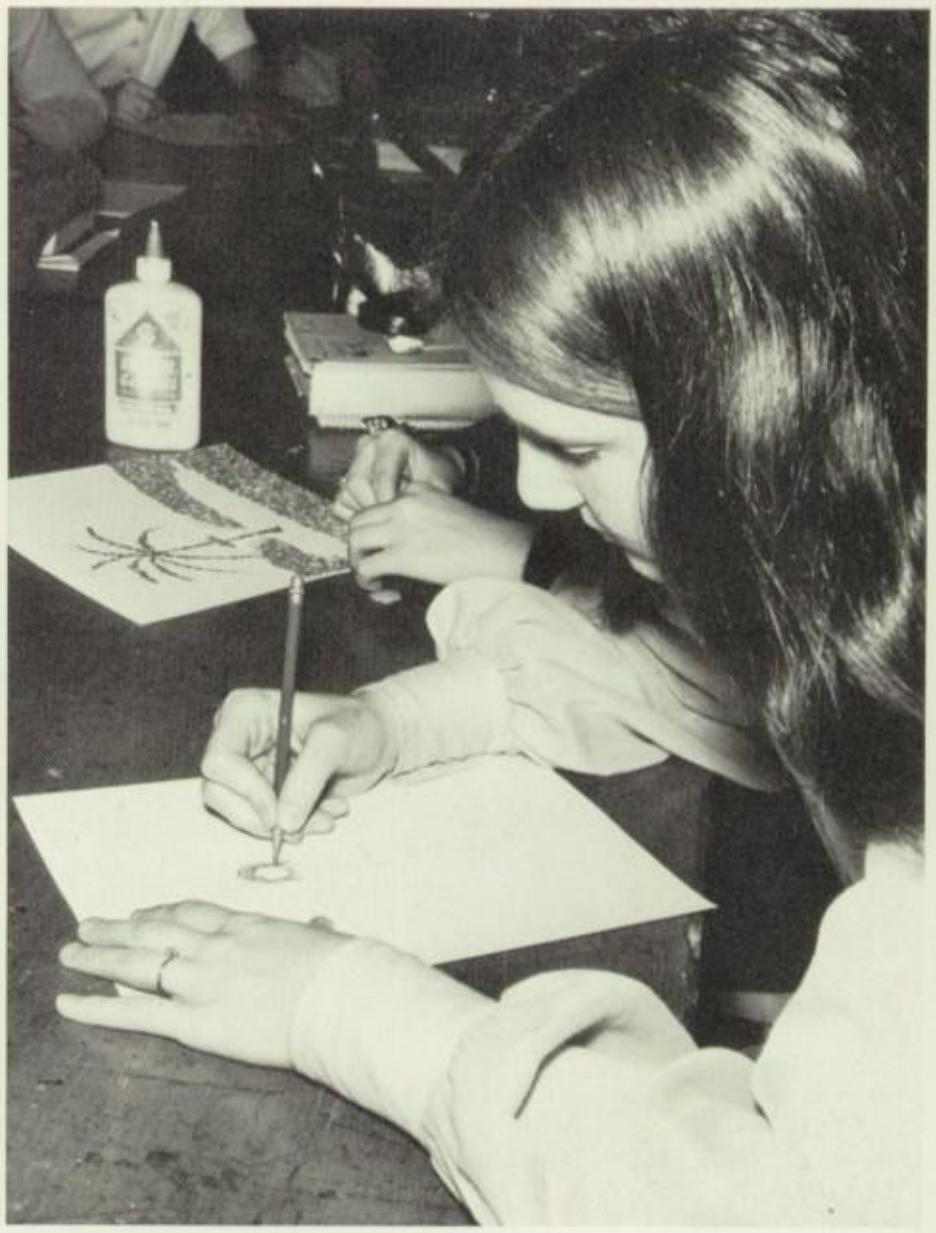
The program has set up programs and activities such as tutors for fellow students in the high school, teaching classes at various primary schools in the system, and helping with the neurologically handicapped classes and the educable mentally retarded class at Norton Primary twice a week.





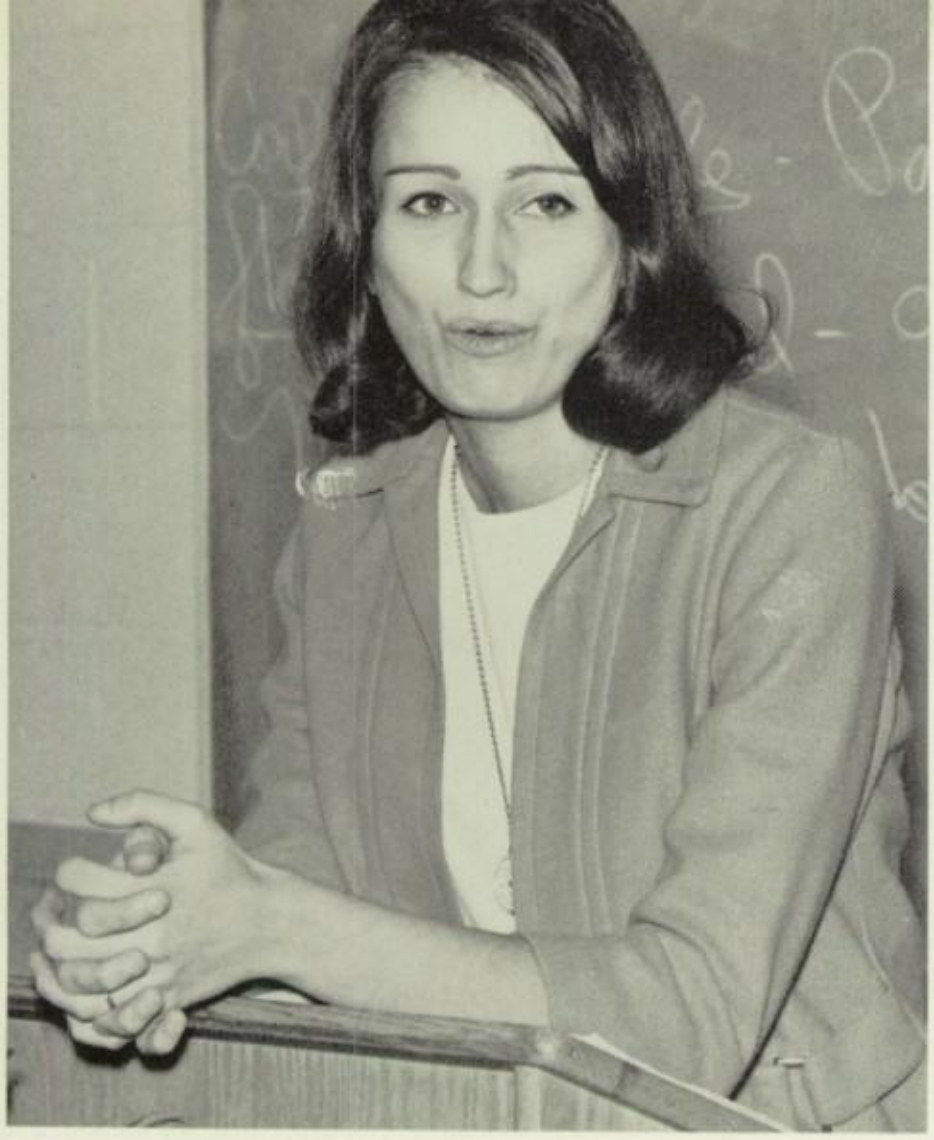


NORTON ART DEPARTMENT



CREATIVITY: UNLIMITED

CREATIVITY IS THE CORE



OF THE NORTONIAN

Business Men and Women of Tomorrow

Norton High School's Cooperative Vo
cational Education Department has thre
courses: D.E., D.C.T., and O.W.E. A
three programs require five periods
day. Students spend two periods a day i
the vocational classroom, two period
studying required subjects, and the re
mainder of the day at an outside trainin
station.

Seniors who are planning a career i
business, sales, or management take Dis
tributive Education. Seniors who want t
have careers in technical and industria
areas take Diversified Cooperative Train
ing. Sophomores, juniors, and seniors
who lack interest in academics but would
like to learn a trade they can use after
graduation take Occupational Work Ex
perience.

Officers for 1972-73 **Student Council** are President, Don Wilt; Vice-President, Lori Barstow; Secretary, Kim Land; Treasurer, Jan McElroy.

Halloween Party, a huge success for Student Council

The **1972-73 Student Council** is composed of six members of each of the four classes, and members are elected in the spring. The Council meets once a week, and officers are elected in the fall. As student governing body, the Council works with the administration in solving school problems. The Council is a forum for the expression of student opinion and attempts to promote a better understanding between students, faculty, and the community. The Council sponsors an annual magazine drive, and profits from this sale are used to benefit other school organizations and to purchase items not available through any other means.

TRI-HI-Y OFFICERS: Beth Reedy, Secretary; Karen Benya, Vice-President; Betty Kovacs, President; Debbie White, Treasurer; Diane Snowball, Chaplain.

Tri-Hi-Y inducts members in a candlelight ceremony

Tri-Hi-Y seeks to create, maintain, and extend high standards of Christian character. This is accomplished by preparing food baskets for the needy at Thanksgiving time; Christmas stockings for the Children's Home; Valentine favors for the Senior Citizen's Home and Easter baskets for the Children's Hospital. Tri-Hi-Y sponsors the annual all student formal dance. Proceeds go to charity. This year's profit of one hundred and fifty dollars went to the Children's Home.

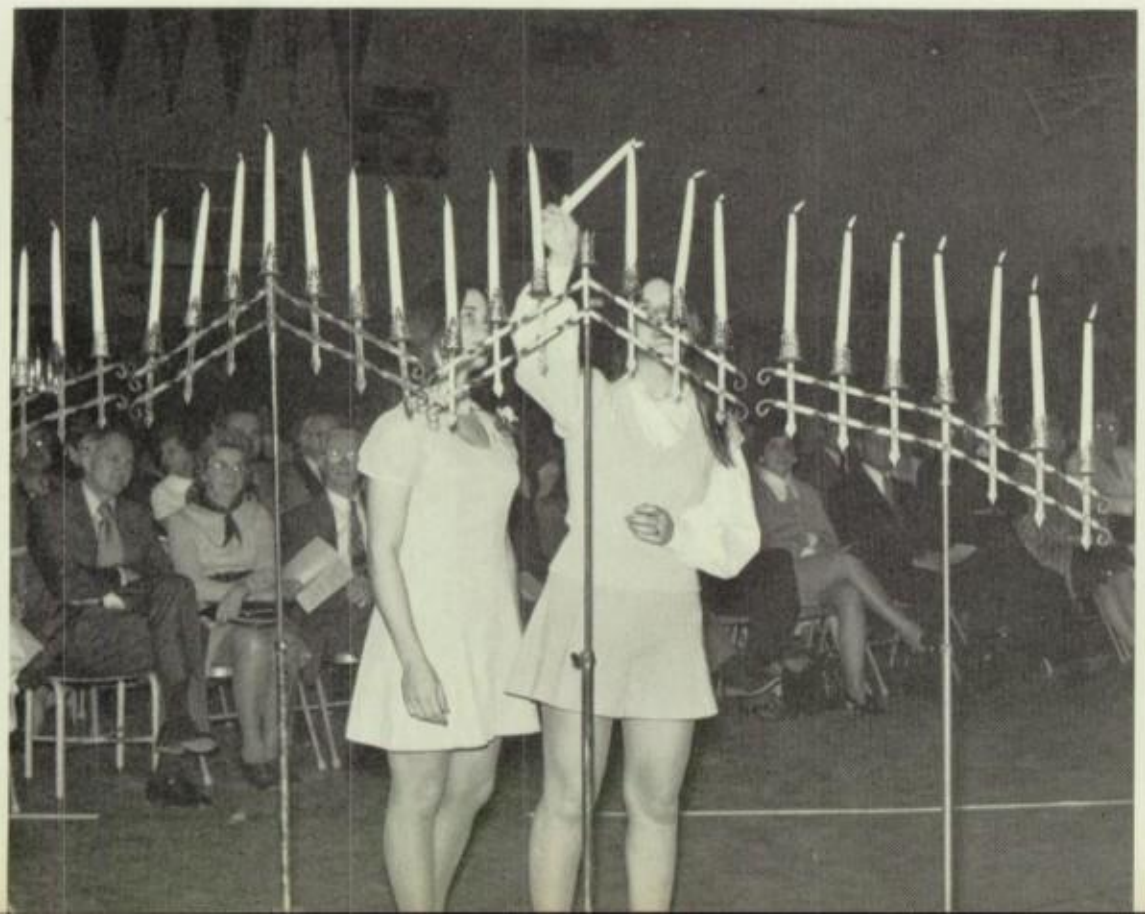
Seek peace and pursue it

Under the guidance of Mr. Clay and Mr. Wilfong, **The National Honor Society** held their annual assembly on Friday, April 6, 1973. Chosen as guest speaker was Rev. Robert J. Baldauf, pastor at Grace United Church of Christ of Norton.

The members of the National Honor Society were chosen on the basis of leadership, character, and scholarship. This year seventeen juniors and eight seniors were inducted.



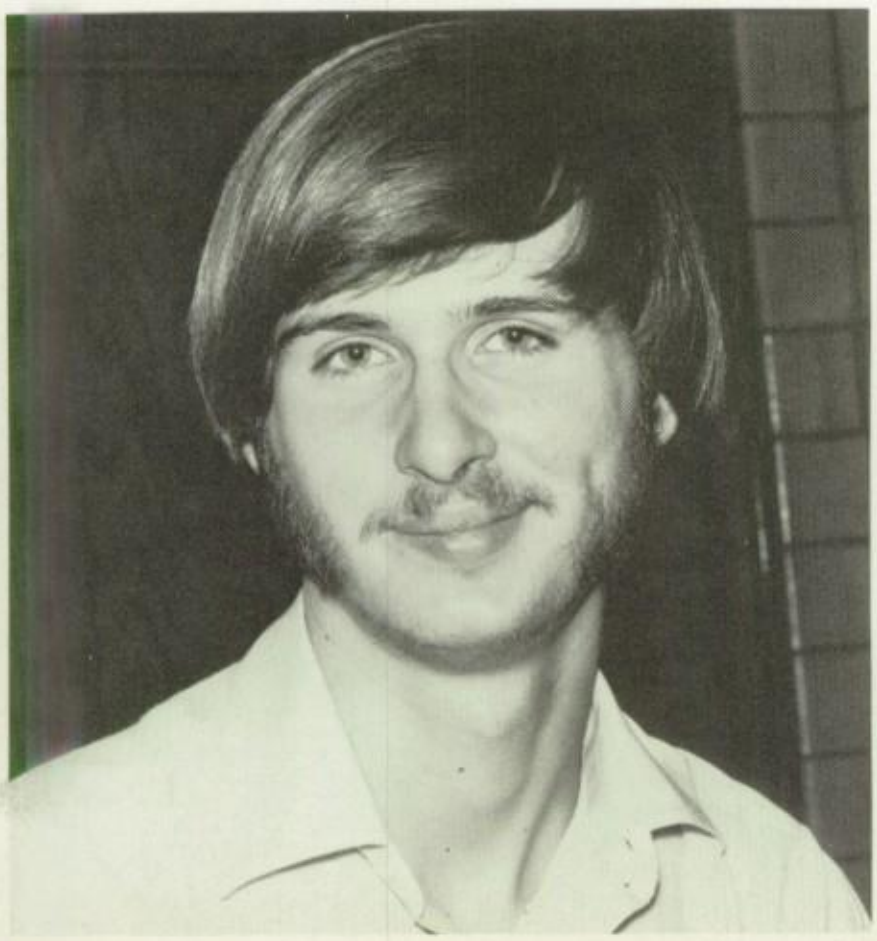
Cindi Orban

Betty Kovacs

Boys' and Girls' States participate in Gov't.

Buckeye Boys' State, sponsored by the American Legion, was held at Ashland College. The highlight was the state nominating convention complete with campaign songs, slogans, posters, and the release of 2000 balloons on Convention Hall. At the end of the elections, student government was set up and run with state, county, and city government.

Gary Starkey



The 26th session of **Buckeye Girl's State,** sponsored by the American Legion Woman's Auxiliary, was held from June 16-25th. This program, held at Capital University in Columbus, consists of senior girls studying and actually participating in their own government.

A Moment Is Only

Time, slipping by so fast
has not the patience
to be held
within the boundaries
of human inaccuracy,

Yet we capture it in
Mickey Mouse watches,
grandfather clocks,
Three minute eggtimers
and long distance
telephone operators
who cut in too soon.

Time has no thought;
no realization
that we try so hard
merely to grasp
what is elusive
and in reality
does not exist.

Head Coach: Wes Cox

Larry Miksch

The 1972 Football Season was a big success for the Panthers. The team finished the season with a record of 7-2-1 overall and a record of 6-1-1 in the Suburban League. The Panthers won the Suburban Championship by wining the last game of the season over Manchester, 8-0. The coaching this year was great, which helped to make Norton "Number One"!

The 1972-73 basketball season, under the coaching of Mr. Galbraith, was a rebuilding season for the Panthers which produced many good and promising ballplayers, several of whom will be returning next year. Seniors Jim Hodge, winner of the Mr. Hustle Award, and Red Bowling, the team's leading rebounder and scorer, were the basis of the team. Juniors, Mike Boyer and Joe Hydeg, and sophomores, Rick Vickery and Thad Hete played regularly this year and showed great potential. With these experienced juniors and sophomores, the team is undoubtedly going to have a promising season this coming year.

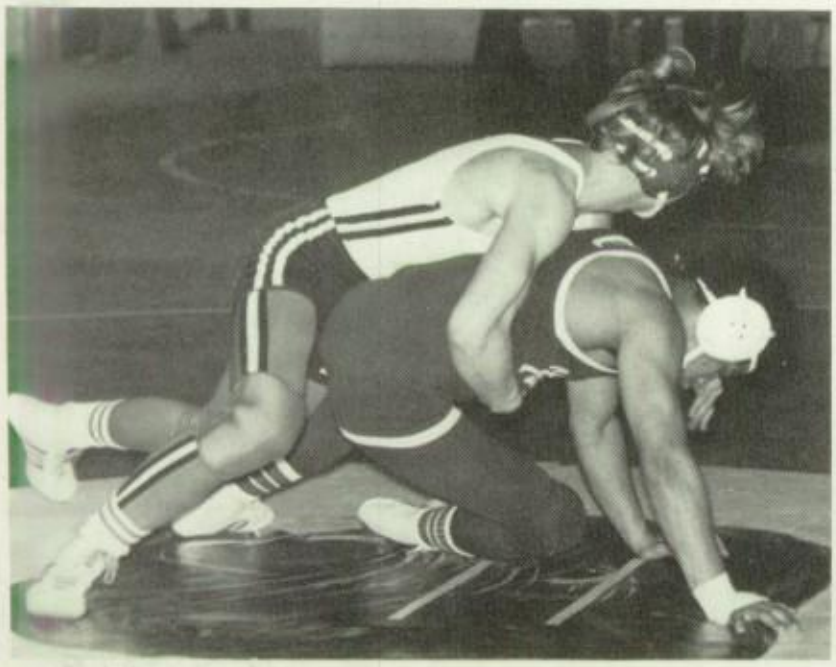
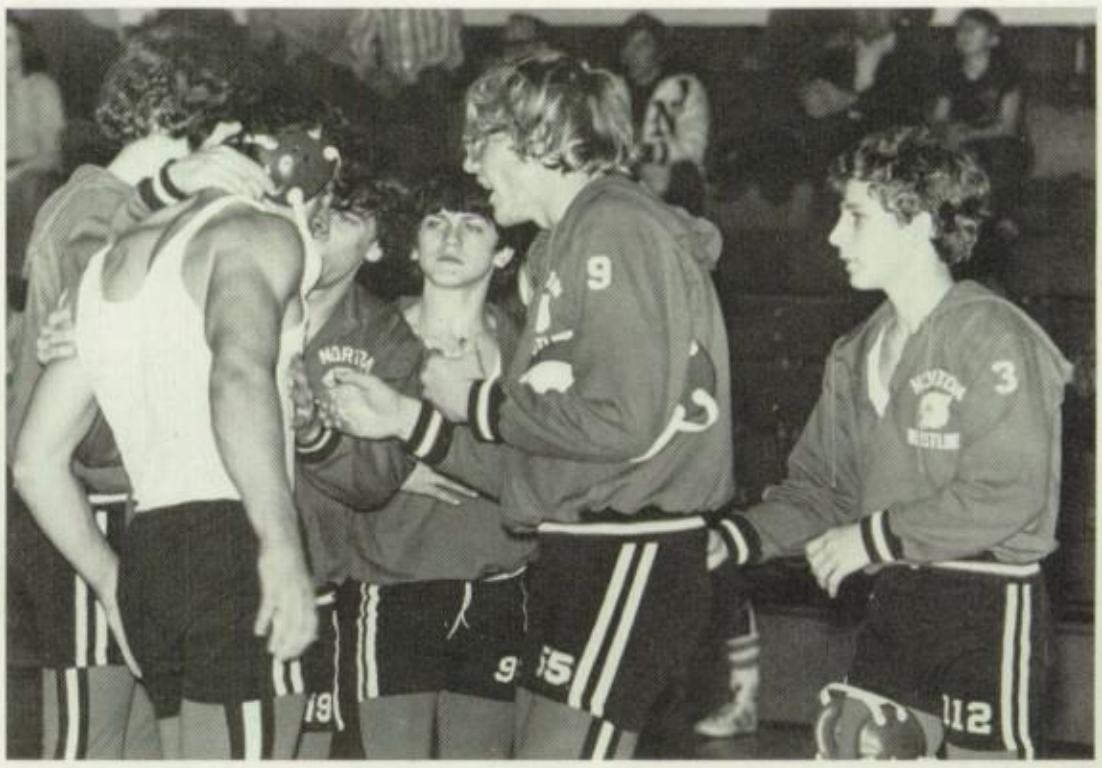
Dual Record 2-3
Overall Record 7-5





Under the coaching of **Mr. Larry Miksch** and **Mr. Steve Franko,** this year's 1972-73 wrestling season ended up with a 7-3 record. Although our record was good, our losses were due to injuries to the varsity wrestlers. Seniors, Whitey Casenhiser and Gary Musgrave, suffered injuries and were out most of the season. We are losing only five seniors this year on the varsity team, and eight varsity men will be returning.

*Denotes League Games

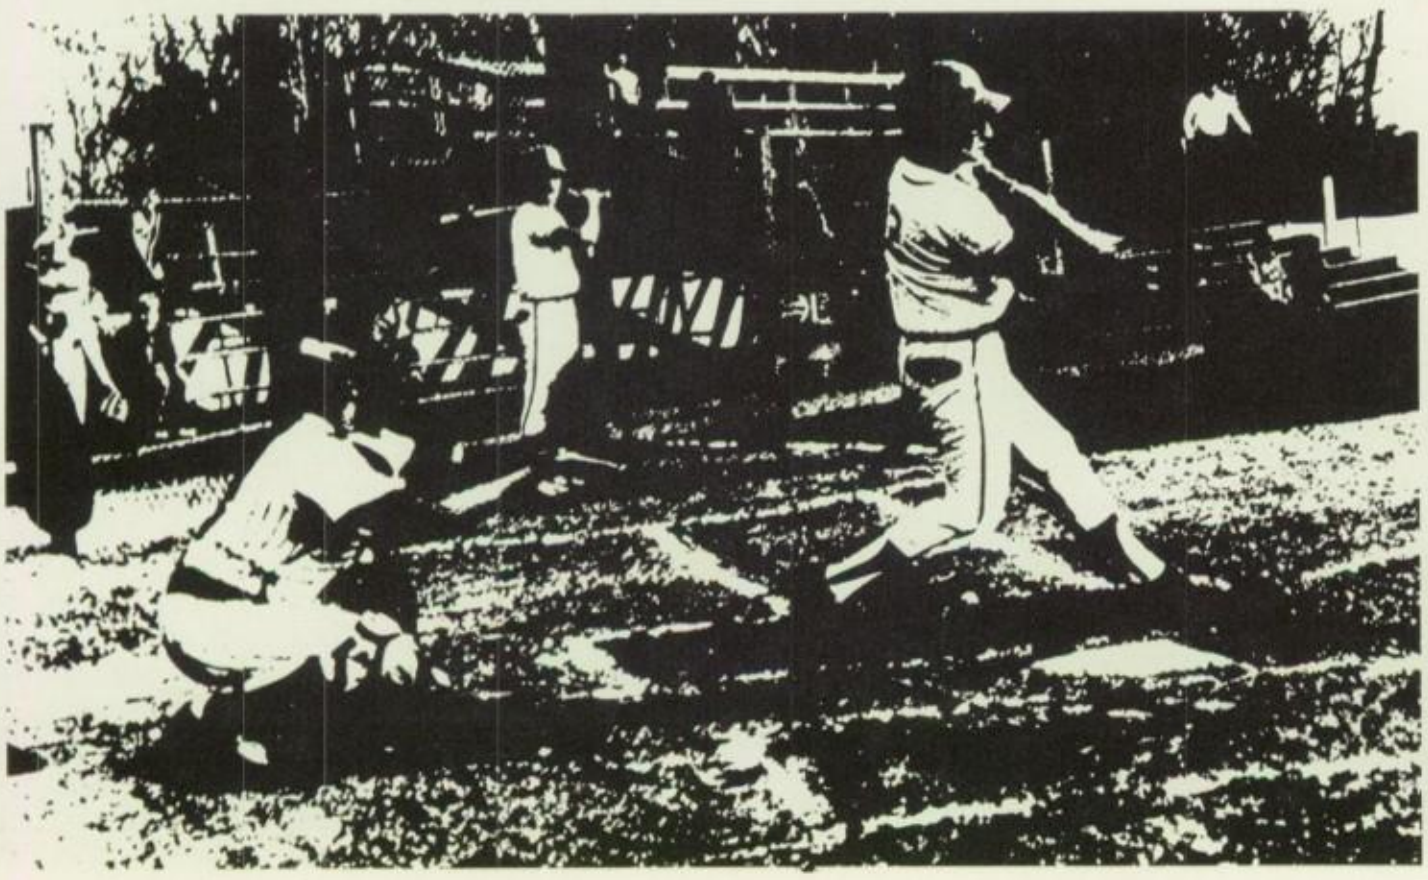
The baseball team has suffered greatly from its inexperince this season. Although the players were optimistic they could not get the hitting they wanted at the right times.

The teams hitting average was about .177. However, two Senior players, Jim Hodge and Charlie Taylor had good averages of .386 and .360 respectively.

Three other players, Paul Riccardi, Chuck Krochta, and Randy Cochrane came around with better hitting in the second half of the season after getting off to a slow start.

The team also had some fine pitching performances. Perhaps the best effort was put forth by Joe Hydeg, who pitched fourteen innings of no hit baseball. His E. R. A. for the season was 1.29, and since he is only a Junior, he will be back strong again next year.

Jim Hodge also did a good pitching job with a .83 E. R. A. and Stu Arkett had a 3.50 average. Ed Guenther was the leading relief pitcher.



TENNIS

VARSITY TENNIS: D. Smee, Coach; S. Merrick, D. Wilt, R. Vickery, B. Snyder, G. Starkey, G. Campbell, T. Jones.

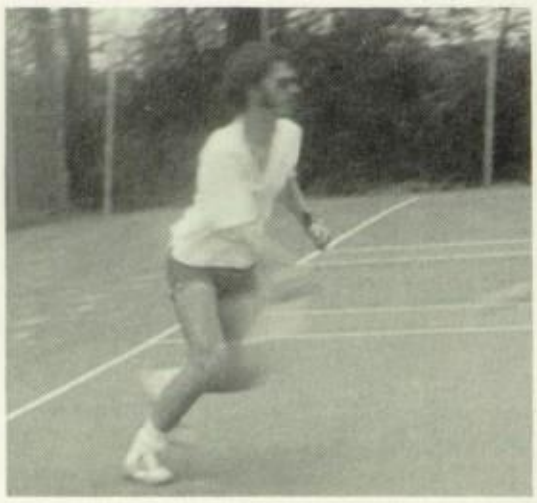
Won 7 - Lost 7



There has not been much luck for the tennis team this season, especially for the doubles players. The season has been fair though having some bright moments.

The team had to rely mostly on the singles to get points. Three single players, Seniors Don Wilt, Gary Starkey, and Sophomore Rick Vickery had a good season winning most of their matches.

Next year the team will almost have to start from scratch as there will not be many players returning. Leaving the team are Steve Merrick, Gene Campbell, Gary Starkey, and Don Wilt.

GOLF

VARSITY GOLF: J. Magier, F. Vargo, R. Eckman, B. Balkey, E. Myers, M. Voight, C. Fink, Coach.

The Norton golf team has a winning record this season, but the players are still somewhat disappointed because they feel that the season should have been better than it was.

The team started off the season very strong, winning matches by the scores of 9-0, 7-2, 7½-1½. They won six in a row before getting beat by Hudson, one of the best teams in the area. Then they lost to Green, and Manchester.

The team had a record of 8-3 going into the Sectional Tournament. The players were all hopeful and they seemed ready when it finally came around. However, only the first man, Joe Magier, was able to play well. He shot a 77 for the eighteen holes and the team total was a 328.

There were many bright spots for the team though, one was beating rival Barberton. Joe Magier and Bruce Balkey had many fine rounds in the 30's. Frank Vargo and Rodney Eckman also contributed greatly to the team as the other two regular starters. Ed Meyers, a freshman, shot a 37 in the first match he ever played in and won it.

The team now looks forward to next year with Frank, Rod, and Ed returning. Maybe their dreams of becoming the Sectional golf champs can come true.

HARLIN FRY RETIRES

After a forty-one year career in education, thirty-five of which had been at Norton High School, Harlin Fry has retired. With a record of excellence, he has left behind a student body, a faculty, and an administration enriched by his many years of dedication.

Besides being instrumental in establishing the guidance department and guidance courses at Norton High School, Harlin Fry has taught history, government, biology, general math, sociology, geography, physical education, English, and science throughout the years. In his years of guidance work, he was responsible for helping countless students solve their school and personal problems, and he helped them to set their future goals. He spent many hours helping students obtain scholarships so they would be able to further their education. Through his many contacts in the greater Akron area, he was successful in securing jobs for graduating seniors. No one has done more than Harlin Fry in helping high school students further their careers.

Much of Harlin Fry's life was devoted to the field of athletics. Recently he was inducted into the Mogadore Hall of Fame for his achievement in athletics during his own high school years. He managed the Summit County Football Previews for eleven years and started the first Summit County Basketball Program, including twenty-four years of summer playground work and fourteen years of supervising twenty winter centers. In twenty-five years of coaching, Harlin Fry had an extremely successful record. His coaching record at Norton consisted of one county and two Metro football championships, two baseball championships, and six Metro, four sectional, two district, and seven county basketball titles. Overall his basketball record was 439 wins and 183 losses. One of his most memorable experiences came, as a result of his outstanding basketball record, when he was inducted into the Ohio Coaches' Hall of Fame.

Harlin Fry assisted in various ways in maintaining good relations between the schools and the community. He was always known for his integrity and sincerity, and he has always had the respect of his students, his peers, and the public.

When aked once what he would miss most at Norton High School, he said, "the students, the companionship of the faculty, and those who have graduated and returned to see me." Mr. Fry, it is we who will miss you!

K. C. Ochlott

WRESTLING CHEERLEADERS — Cheryl Walsh, Robin Nace, Cindy Slil-agyi, Kathy Shuber.

What's Babcock & Wilcox up to now?

We're preparing for the future. And for a good reason. It's predicted Americans will be using twice as many kilowatts of electricity by 1985 as we are today. To meet this need, B&W is engineering better ways to convert fossil and nuclear fuels into electricity.

While it is important that these systems work efficiently, it is also important that they do not pollute the environment. To insure that they don't, pollution control devices are an important part of our product line.

B&W cooling towers, such as the one depicted by the model above, remove heat from condenser water before it is returned to lakes and streams. Other systems remove sulfur and nitrogen oxides and particulate matter before they leave the stack. Our Kraft recovery process helps eliminate both air and water contaminants produced in the making of paper.

Even our boilers themselves are being used to control pollution. We have a special system for burning shipboard wastes in a ship's propulsion boiler and another system which uses municipal wastes as fuel for generating electricity or heating and air conditioning office buildings.

These are just some of the things we're up to. If you're interested in playing a part in them, visit our personnel office.
